Dear Mr. Stoffels:

This letter is to confirm our intent to enter into a contractual agreement with The City Of Blue Island for dispatching services. All 9-1-1 calls for this community will be routed to The Blue Island E-911 Center, which is located at 2434 Vermont Street, Blue Island, Illinois once approval is granted from the Illinois Commerce Commission.

Enclosed is a copy of our modification plan to the Illinois Commerce Commission for approval. Thank you for your attention in this matter.

Sincerely,

David Burke, Administrative Aid
